Description of RMA (ARPI and MP) Determinations (Includes information reported to RMA as of April 9, 2019)

Total for Crop / Planted Yield - calculated as the acre-weighted average of 2019 yields reported to RMA as actual yields by crop insurance program participants in the county.

Irrigated / Planted Yield - calculated as the acre-weighted average of 2019 irrigated yields reported to RMA as actual yields by crop insurance program participants in the county.

Total for Crop / Harvested Yield - calculated as the acre-weighted average of non-zero 2019 yields reported to RMA as actual yields by crop insurance program participants in the county. If a participant was found to have un-harvested acreage claim(s) in 2019, acreage from these claims was not included.
