All provisions of the policy and rights and responsibilities of the parties are specifically subject to the Act. The provisions of the policy may not be waived or varied in any way by us, our insurance agent or any other contractor or employee of ours, or any employee of USDA. We will use FCIC procedures (handbooks, manuals, memoranda and bulletins), published on RMA's website at www.rma.usda.gov or a successor website, in the administration of this policy. In the event that we cannot pay your loss because we are insolvent or are otherwise unable to perform our duties under our reinsurance agreement with FCIC, your claim will be settled in accordance with the provisions of this policy and FCIC will be responsible for any amounts owed. No state guarantee fund will be liable for your loss.

Throughout this policy, "you" and "your" refer to the named insured shown on the accepted application and "we," "us," and "our" refer to the insurance company providing insurance. Unless the context indicates otherwise, use of the plural form of a word includes the singular and use of the singular form of the word includes the plural.

- your SSN or EIN. If your application contains an incorrect SSN or EIN for you, your application will be considered not to have been accepted, no insurance will be provided for the year of application and for any subsequent crop years, as applicable, and such policies will be void if:
- (i) Such number is not corrected by you; or
 - (ii) You correct the SSN or EIN but:
 - (A) You cannot prove that any error was inadvertent (simply stating the error was inadvertent is not sufficient to prove the error was inadvertent); or
 - (B) It is determined that the incorrect number would have allowed you to obtain disproportionate benefits under the crop insurance program, you are determined to be ineligible for insurance or you could avoid an obligation or requirement under any State or Federal law;
- (6) With respect to persons with a substantial beneficial interest in you:
- (i) The coverage for all livestock or livestock products included on your application will be reduced proportionately by the percentage interest in you of persons with a substantial beneficial interest in you (presumed to be 50 percent for spouses of individuals) if the SSNs or EINs of such persons are included on your application, the SSNs or EINs are correct, and the persons with a substantial beneficial interest in you are ineligible for insurance;
 - (ii) Your policies for all livestock or livestock products included on your application, and for all applicable crop years, will be void if the SSN or EIN of any person with a substantial beneficial interest in you is incorrect or is not included on your application and:
 - (A) Such number is not corrected or provided by you, as applicable;
 - (B) You cannot prove that any error or omission was inadvertent (simply stating the error or omission was inadvertent is not sufficient to prove the error or omission was inadvertent); or
 - (C) Even after the correct SSN or EIN is provided by you, it is determined that the incorrect or omitted SSN or EIN would have allowed you to obtain disproportionate benefits under the crop insurance program, the person with a substantial beneficial interest in you is determined to be ineligible for insurance, or you or the person with a substantial beneficial interest in you could avoid an obligation or requirement under any State or Federal law; or
- (7) When any of your policies are void under sections 2(e)(5) or 2(e)(6):
- (i) You must repay any indemnity that may have been paid for all applicable commodities and any crop years determined by us;
 - (ii) Even though the policies are void, you will still be required to pay an amount equal to 20 percent of the premium that you would otherwise be required to pay; and
 - (iii) If you previously paid premium or administrative fees, any amount in excess of the amount required in section 2(e)(7)(ii) will be returned to you;
- (8) Notwithstanding any of the provisions in this section, if you certify to an incorrect SSN or EIN, or receive an indemnity and the SSN or EIN was not correct, you may be subject to civil, criminal or administrative sanctions;
- (9) If any of the information regarding persons with a substantial beneficial interest in you changes after the cancellation date for the previous crop year, you must revise your application by the cancellation date for the current crop year to reflect the correct information. However, if such information changed less than 30 days before the cancellation date for the current crop year, you must revise your application by the cancellation date for the next crop year. If you fail to provide the required revisions, the provisions in section 2(e)(6) will apply; and
- (10) If you are, or a person with a substantial beneficial interest in you is, not eligible to obtain an SSN or EIN, whichever is required, you must request an assigned number for the purposes of this policy from us:
- (i) A number will be provided only if you can demonstrate you are, or a person with a substantial beneficial interest in you is, eligible to receive Federal benefits;
 - (ii) If a number cannot be provided for you in accordance with section 2(e)(10)(i), your application will not be accepted; or
 - (iii) If a number cannot be provided for any person with a substantial beneficial interest in you in accordance with section 2(e)(10)(i), the amount of coverage for all crops on the application will be reduced proportionately by the percentage interest of such person in you.

25-LGM Dairy Cattle

(Released April 2024)

- (g) Any amount owed to us for any policy authorized under the Act will be offset from any indemnity or prevented planting payment due you for this or any other crop insured with us under the authority of the Act.
 - (1) Even if your claim has not yet been paid, you must still pay the premium and administrative fee on or before the termination date for you to remain eligible for insurance.
 - (2) If we offset any amount due us from an indemnity or prevented planting payment owed to you, the date of payment for the purpose of determining whether you have a delinquent debt will be the date that you submit the claim for indemnity in accordance with section 7(a) (Determining Indemnities).
 - (3) For this agricultural commodity policy, and any other agricultural commodity policy insured with us and it is:

 - (1) With respect to ineligibility:
 - (i) Ineligibility for crop insurance will be effective on:
 - (A) The date that a policy was terminated in accordance with section 2(h)(2) for the crop for which you failed to pay premium, an administrative fee, or any related interest owed, as applicable;
 - (B) The payment due date contained in any notification of indebtedness for any overpaid indemnity if you fail to pay the amount owed, including any related interest owed, as applicable, by such due date; or
 - (C) The termination date for the crop year prior to the crop year in which a scheduled payment is due under a written payment agreement if you fail to pay the amount owed by any payment date in any agreement to pay the debt;
 - (ii) If you are ineligible and a policy has been terminated in accordance with section 2(h)(2), you will not receive any indemnity and such ineligibility and termination of the policy may affect your eligibility for benefits under other USDA programs. Any indemnity payment that may be owed for the policy before it has been terminated will remain owed to you, but may be offset in accordance with section 2(g), unless your policy was terminated in accordance with sections 2(h)(2)(i)(A), 2(h)(2)(i)(B), or 2(h)(2)(i)(D).
 - (2) With respect to termination:
 - (i) Termination will be effective on:

 - (C) For all other policies that are issued by us under the authority of the Act, the termination date that coincides with the termination date for the policy with the delinquent debt or, if there is no coincidental termination date, the termination date immediately following the date you become ineligible;
 - (D) For execution of a written payment agreement and failure to make any scheduled payment, the termination date for the crop year prior to the crop year in which you failed to make the

25-LGM Dairy Cattle

(Released April 2024)

- scheduled payment (for this purpose only, the crop year will start the day after the termination date and end on the next termination date, e.g., if the termination date is November 30 and you fail to make a payment on November 15, 2019, your policy will terminate on November 30, 2018, for the 2019 crop year); or
- (ii) For all policies terminated under sections 2(h)(2)(i)(A), 2(h)(2)(i)(B), or 2(h)(2)(i)(D), any indemnities paid subsequent to the termination date must be repaid.
 - (iii) Once the policy is terminated, it cannot be reinstated for the current crop year unless:
 - (A) The termination was in error;

 - (2) You remit full payment of the delinquent debt owed to us or FCIC with your request submitted in accordance with section 2(h)(2)(iii)(B)(3); and
 - (3) You submit a written request for reinstatement of your policy to us no later than 60 days after the termination date or the missed payment date of a previously executed written payment agreement, or in the case of overpaid indemnity or any amount that became due after the termination date, the due date specified in the notice to you of the amount due, if applicable.
 - (i) If authorization for reinstatement, as defined in 7 CFR part 400, subpart U, is granted, your policies will be reinstated effective at the beginning of the crop year for which you were determined ineligible, and you will be entitled to all applicable benefits under such policies, provided you meet all eligibility requirements and comply with the terms of the policy; and
 - (ii) There is no evidence of fraud or misrepresentation; or
- (C) We determine that, in accordance with 7 CFR part 400, subpart U, and FCIC issued procedures, the following are met:
- (1) You can demonstrate:
 - (i) You made timely payment for the amount of premium owed but you inadvertently omitted some small amount, such as the most recent month's interest or a small administrative fee;
 - (ii) The amount of the payment was clearly transposed from the amount that was otherwise due (for example, you owed \$892 but you paid \$829);
 - (iii) You timely made the full payment of the amount owed but the delivery of that payment was delayed, and was postmarked no more than seven calendar days after the termination date or the missed payment date of a previously executed written payment agreement, or in the case of overpaid indemnity or any amount that became due after the termination date, the due date specified in a notice to you of an amount due, as applicable.
 - (iv) For previously executed written payment agreements, you made the full payment of the scheduled payment amount owed within 15 calendar days after the missed payment date.
 - (2) You remit full payment of the delinquent debt owed to us; and

 - (5) There is no evidence of fraud or misrepresentation.
 - (iv) A determination made under:
 - (A) Section 2(h)(2)(iii)(B) may only be appealed to the National Appeals Division in accordance with 7 CFR part 11; and

 - (iii) Have your debts discharged in bankruptcy.
 - (4) After you become eligible for crop or livestock insurance, if you want to obtain coverage for your crops or livestock, you must submit a new application on or before the sales closing date for the crop (since applications for crop insurance cannot be accepted after the sales closing date, if you make any payment after the sales closing date, you cannot apply for insurance until the next available sales closing date).
 - (5) For example, for the 2020 crop year, if you purchase Livestock Gross Margin (LGM), with a termination date of June 30, 2020, and you do not pay the premium or other amounts due for LGM by the termination date, your livestock policies will terminate retroactive to the sales closing date that is immediately subsequent to the sales period for which the premium is delinquent, even if insurance has already attached to a subsequent sales period. The ineligibility date would be June 30, 2020. In accordance with section 2(h)(2)(i)(C), for any other policy issued under the authority of the Federal Crop Insurance Act that does not have the same termination date of June 30, the termination for such other policy will be effective on the termination date following when you become ineligible. For example, a producer purchased an LGM policy on July 31, 2020, and did not pay the premium by the premium due date and subsequently purchased a Federal reinsured corn policy on March 15, 2021. The LGM policy is terminated June 30, 2021, and the producer is ineligible for any livestock plan of insurance as of the next sales closing date after June 30, 2021. However, the Federal reinsured corn policy would remain in effect for 2021 and would be terminated as of March 15, 2022, if the LGM premium remained delinquent. No indemnity will be due for that crop year for either crop. You will not be eligible to apply for crop insurance for any crop until after the amounts owed are paid in full or you file a petition to discharge the debt in bankruptcy.
 - (6) If you are determined to be ineligible under section 2(h), persons with a substantial beneficial interest in you may also be ineligible until you become eligible again.
 - (i) In cases where there has been a death, disappearance, judicially declared incompetence, or dissolution of any insured person:
 - (1) If any married individual insured dies, disappears, or is judicially declared incompetent, the named insured on the policy will automatically convert to the name of the spouse if:
 - (i) The spouse was included on the policy as having a substantial beneficial interest in the named insured; and
 - (ii) The spouse has a share of the crop.
 - (2) The provisions in section 2(i)(3) will be applicable if:
 - (i) Any partner, member, shareholder, etc., of an insured entity dies, disappears, or is judicially declared incompetent, and such event automatically dissolves the entity; or
 - (ii) An individual, whose estate is left to a beneficiary other than a spouse or left to the spouse and the criteria in section 2(i)(1) are not met, dies, disappears, or is judicially declared incompetent.
 - (3) If section 2(i)(2) applies and the death, disappearance, or judicially declared incompetence occurred:
 - (i) More than 30 days before the cancellation date, the policy is automatically canceled as of the cancellation date and a new application must be submitted; or
 - (ii) Thirty days or less before the cancellation date, or after the cancellation date, the policy will continue in effect through the crop year immediately following the cancellation date and be automatically canceled as of the cancellation date immediately following the end of the insurance period for the crop year, unless canceled by the cancellation date prior to the start of the insurance

period:

- (A) A new application for insurance must be submitted prior to the sales closing date for coverage for the subsequent crop year; and
 - (B) Any indemnity will be paid to the person or persons determined to be beneficially entitled to the payment and such person or persons must comply with all policy provisions and pay the premium.
- (4) If any insured entity is dissolved for reasons other than death, disappearance, or judicially declared incompetence:
- (i) Before the cancellation date, the policy is automatically canceled as of the cancellation date and a new application must be submitted; or
 - (ii) On or after the cancellation date, the policy will continue in effect through the crop year immediately following the cancellation date and be automatically canceled as of the cancellation date immediately following the end of the insurance period for the crop year, unless canceled by the cancellation date prior to the start of the insurance period:
 - (A) A new application for insurance must be submitted prior to the sales closing date for coverage for the subsequent crop year; and
 - (B) Any indemnity will be paid to the person or persons determined to be beneficially entitled to the payment and such person or persons must comply with all policy provisions and pay the premium.
- (5) If section 2(i)(2) or 2(i)(4) applies, a remaining member of the insured person or the beneficiary is required to report to us the death, disappearance, judicial incompetence, or other event that causes dissolution not later than the next cancellation date, except if section 2(i)(3)(ii) applies, notice must be provided by the cancellation date for the next crop year. If notice is not provided timely, the provisions of section 2(i)(2) or 2(i)(4) will apply retroactive to the date such notice should have been provided and any payments made after the date the policy should have been canceled must be returned.
- (j) We may cancel your policy if no premium is earned for three consecutive years.
 - (k) The cancellation date is June 30 for the policy and the termination date for the policy is June 30 of the year following the cancellation date as stated in the actuarial documents. For example, a policy with the cancellation date of June 30, 2023, would have the termination date of June 30, 2024. Cancellation during a crop year is not allowed.
- (l) Any person may sign any document relative to crop insurance coverage on behalf of any other person covered by such a policy, provided that the person has a properly executed power of attorney or such other legally sufficient document authorizing such person to sign. You are still responsible for the accuracy of all information provided on your behalf and may be subject to any applicable consequences, if any information has been misreported.
 - (m) LGM for Dairy Cattle will not be offered for a sales period if the required data for establishing the expected gross margins for each month of the insurance period are not available because futures did not trade, or were not able to continue trading at the end of the day (such as the price moved the maximum allowed by the exchange and trading was suspended).
 - (1) LGM for Dairy Cattle will not be offered if CME Group Class III milk futures prices decline on the effective date by the maximum allowed by the exchange.
 - (2) LGM for Dairy Cattle will not be offered if CME Group soybean meal or CME Group corn futures prices increase on the effective date by the maximum allowed by the exchange.
 - (n) FCIC will suspend sales of LGM for Dairy Cattle on the calendar days on which USDA releases Milk Production, Cold Storage or Dairy Products reports, as well as on any other days that for any reason LGM for Dairy Cattle offer prices are not published in the actuarial documents by 4:30 PM Central Time.
- ### 3. Insurance Coverages
- (a) For each SCE, your gross margin guarantee, deductible, and premium for the insurance period are as shown on your summary of insurance.
 - (b) An SCE must be submitted on our form within the sales period for each insurance period in which you desire coverage. There can be multiple SCEs for the same insurance period, same months in the insurance period, and the same sales closing date, but they cannot cover the same milk.
 - (c) The SCE must include the following information, as applicable:
 - (1) Your deductible amount.
 - (2) Your target marketings for every month within the insurance period in which you desire coverage.
 - (3) The practice/insurance period.
 - (4) The effective date of coverage.
 - (5) The tons of corn, tons of soybean meal for every month within the insurance period in which you desire coverage.
 - (d) You may sign the SCE:
 - (1) Before the coverage prices and premium rates are published by RMA, provided that the SCE form contains all information required in section

25-LGM Dairy Cattle

(Released April 2024)

3(c) and you have signed the SCE not earlier than 14 calendar days before the effective date. You may revise or withdraw the SCE at any time up to 1:30 PM Central Time on the effective date.

- (2) After the coverage prices and premium rates are published by RMA, provided that the SCE is signed during the sales period.
 - (e) No indemnity will be owed, but you will still be responsible for any premiums owed, if we find that your marketing report:
 - (1) Is not supported by written verifiable records in accordance with the definition of marketing report; or
 - (2) Fails to accurately report actual marketings or other material information.
 - (f) Coverage can be purchased during the sales period or as otherwise specified in the Special Provisions. Coverage is not available for purchase if expected milk and feed prices are not available on RMA's website.
 - (g) Sales of LGM may be suspended for the sales period if unforeseen and extraordinary events occur that interfere with the effective functioning of the corn, soybean meal, or milk commodity markets. Evidence of such events may include, but is not limited to, consecutive limit down moves in the milk futures markets or limit up moves in the corn and soybean meal contracts.
 - (h) In accordance with section 17, you may not have any other FCIC reinsured livestock policy covering the same class of livestock for any month for which you have target marketings or have any other FCIC reinsured livestock policy covering the same insured milk at the same time.
- 4. Causes of Loss Covered**
- This policy provides insurance only for the difference between the actual gross margin and the gross margin guarantee resulting from unavoidable natural occurrences as required by the Act. This policy does not insure against the death or other loss or destruction of your dairy cattle, or against any unexpected decline in milk production, or in other loss or damage of any kind whatsoever.
- 5. Premium**
- (a) The premium is earned and payable at the time coverage begins and you will be billed for the premium on the premium billing date for each SCE.
 - (b) You are only eligible for premium subsidy if you target market in two (2) or more months of an insurance period.
 - (c) The premium amount is shown on your summary of insurance.
 - (d) The premium will be based on the information you provide on the SCE.
 - (e) Premium or administrative fees owed by you will be offset from an indemnity or prevented planting payment due you in accordance with section 2(g).
- (f) If you qualify as a beginning farmer or rancher, your premium subsidy will be 10 percentage points greater than the premium subsidy that you would otherwise receive, unless otherwise specified in the Special Provisions.
 - (g) You will be ineligible for any premium subsidy paid on your behalf by FCIC for any policy issued by us if:
 - (1) USDA determines you have committed a violation of the highly erodible land conservation or wetland conservation provisions of 7 CFR part 12 as amended by the Agricultural Act of 2014; or
 - (2) You have not filed form AD-1026 with FSA for the reinsurance year by the premium billing date.
 - (i) Notwithstanding section 5(g)(2), you may be eligible for premium subsidy without having a timely filed form AD-1026:
 - (A) For the initial reinsurance year if you certify by the premium billing date for your policy that you meet the qualifications as outlined in FCIC approved procedures for producers who are new to farming, new to crop insurance, a new entity, or have not previously been required to file form AD-1026; or
 - (B) If FSA approves relief for failure to timely file due to circumstances beyond your control or failure to timely provide adequate information to complete form AD-1026 in accordance with the provisions contained in 7 CFR part 12.
 - (ii) To be eligible for premium subsidy paid on your behalf by FCIC, it is your responsibility to assure you meet all the requirements for:
 - (A) Compliance with the conservation provisions specified in section 5(g)(1) of this section; and
 - (B) Filing form AD-1026, or successor form, to be properly identified as in compliance with the conservation provisions specified in section 5(g)(1) of this section.
- 6. Insurance Period**
- (a) Coverage begins on your milk on the first day of the second calendar month following the month of the sales closing date, unless otherwise specified in the Special Provisions. For example, for SCEs with a sales closing date in January, coverage will begin on March 1.
 - (b) For each SCE, coverage ends at the earliest of:
 - (1) The last month of the insurance period in which you have target marketings; or
 - (2) As otherwise specified in the policy.
- 7. Determining Indemnities**
- (a) For each SCE, in the case of a payable loss on

25-LGM Dairy Cattle

(Released April 2024)

insured milk, we will send you a notice of probable loss approximately ten days after actual gross margins for all months with target marketings are released by RMA. You must submit a marketing report, within 60 days of your receipt of the notice of probable loss.

- (b) For each SCE, in the event of loss covered by this policy, we will settle your claim by subtracting the actual total gross margin from the gross margin guarantee. If the result is greater than zero, an indemnity will be paid. Under no circumstances will the indemnity be greater than your total target marketings multiplied by the three-day average CME Group Class III milk futures price established at the beginning of the insurance period.
- (c) For each SCE, if for any month for which you have target marketings your actual marketings are less than 85 percent of the cumulative target marketings for the month, your indemnities will be reduced as follows:
 - (1) If your actual marketings for the month:
 - (i) Are equal to or greater than 85 percent of the cumulative target marketings for the month, then your market factor for the month equals 1, even if your actual marketings for the month are lower than the cumulative target marketings for the month; or
 - (ii) Are less than 85 percent of the cumulative target marketings for the month, then your market factor for the month equals your actual marketings divided by 85 percent divided by cumulative target marketings.
 - (2) The market factor for the SCE is calculated as a weighted average of market factors for months in which you have target marketings, proportional to the target marketings. The indemnity calculated as in 7(b) will be prorated by the market factor.
 - (3) For example, an insured purchases an SCE for the May-Mar insurance period and declares target marketings of 10,000 cwt in June and 10,000 cwt in July. The insured markets only 8,500 cwt in June and 7,500 cwt in July. The market factor for June is 1, and the market factor for July is $(7,500 \div 0.85) \div 10,000 = 0.882$. The market factor for the endorsement is $((10,000 \times 1) + (10,000 \times 0.882)) \div 20,000 = 0.941$. If the difference between the gross margin guarantee and the actual gross margin is positive, the indemnity paid will be that difference multiplied by 0.941.
 - (d) Premium will be due in accordance with section 5, which uses your target marketings, and your premium will not be reduced as a result of any reduction in indemnities per section 7(c).

8. Conformity to Food Security Act

Although your violation of a number of federal statutes,

including the Act, may cause cancellation or termination of the policy or may cause the policy to become void, you should be specifically aware that your policy will be canceled if you are determined to be ineligible to receive benefits under the Act due to violation of the controlled substance provisions (title XVII) of the Food Security Act of 1985 (Pub. L. 99-198) and the regulations published at 7 CFR part 400, subpart U. Your policy will be canceled if you are determined, by the appropriate agency, to be in violation of these provisions. We will recover any and all monies paid to you or received by you during your period of ineligibility, and your premium will be refunded, less a reasonable amount for expenses and handling not to exceed 20 percent of the total premium.

9. Amounts Due Us

- (a) Interest will accrue at the rate of 1.25 percent simple interest per calendar month on any unpaid amount owed to us or on any unpaid administrative fees owed to FCIC.
 - (1) For premium amounts owed to us or administrative fees owed to FCIC, interest will start to accrue on the first day of the month following the issuance of the notice by us, provided that a minimum of 30 days have passed from the premium billing date.
 - (2) We will collect any unpaid amounts owed to us and any interest owed thereon, and, prior to the termination date, we will collect any administrative fees and interest owed thereon to FCIC.
 - (3) After the termination date, FCIC will collect any unpaid administrative fees and any interest owed thereon for any catastrophic risk protection policy and we will collect any unpaid administrative fees and any interest owed thereon for additional coverage policies.
- (b) For any other amounts due us, such as repayment of indemnities found not to have been earned, interest will start to accrue on the date that notice is issued to you for the collection of the unearned amount.
 - (1) Amounts found due under this paragraph will not be charged interest if payment is made within 30 days of issuance of the notice by us.
 - (2) The amount will be considered delinquent if not paid within 30 days of the date the notice is issued by us.
- (c) All amounts paid will be applied first to expenses of collection, if any, second, to the reduction of accrued interest, and then to the reduction of the principal balance.
- (d) If we determine that it is necessary to contract with a collection agency or to employ an attorney to assist in collection, you agree to pay all the expenses of collection.
- (e) The portion of the amounts owed by you for a policy authorized under the Act that are owed to FCIC may

25-LGM Dairy Cattle

(Released April 2024)

be collected in part through administrative offset from payments you receive from United States government agencies in accordance with 31 U.S.C. chapter 37. Such amounts include all administrative fees, and the share of the overpaid indemnities and premiums retained by FCIC plus any interest owed thereon.

10. Payment and Interest Limitations

We will pay simple interest computed on the net indemnity ultimately found to be due by us or by a final judgment of a court of competent jurisdiction, from and including the 61st day after the date you sign, date, and submit to us the properly completed marketing report. Interest will be paid only if the reason for our failure to timely pay is **NOT** due to your failure to provide information or other material necessary for the computation or payment of the indemnity. The interest rate will be that established by the Secretary of the Treasury under section 12 of the Contract Disputes Act of 1978 (41 U.S.C. 611) and published in the Federal Register semiannually on or about January 1 and July 1 of each year and may vary with each publication.

11. Concealment, Misrepresentation or Fraud

- (a) If you have falsely or fraudulently concealed the fact that you are ineligible to receive benefits under the Act or if you or anyone assisting you has concealed or misrepresented any material fact relating to this Policy:
 - (1) This policy will be void; and
 - (2) You may be subject to remedial sanctions in accordance with 7 CFR part 400, subpart R.
- (b) Voidance of this policy will result in you having to reimburse all indemnities paid for the insurance period.
- (c) Voidance will be effective on the first day of the insurance period for the crop year in which the act occurred and will not affect the policy for subsequent insurance periods unless a violation of this section also occurred in such insurance periods.
- (d) Even though this policy is void, you will still be required to pay the administrative and operating expenses contained on your premium statement to offset costs incurred by us in the service of this policy.
- (e) If you willfully and intentionally provide false or inaccurate information to us or FCIC or you fail to comply with a requirement of FCIC, in accordance with 7 CFR part 400, subpart R, FCIC may impose on you:
 - (1) A civil fine for each violation in an amount not to exceed the greater of:
 - (i) The amount of the pecuniary gain obtained as a result of the false or inaccurate information provided or the noncompliance with a requirement of FCIC; or
 - (ii) \$10,000; and
 - (2) A disqualification for a period of up to 5 years from receiving any monetary or non-monetary

benefit provided under each of the following:

- (i) Any crop insurance policy offered under the Act;
- (ii) The Farm Security and Rural Investment Act of 2002 (7 U.S.C. 7333 et seq.);
- (iii) The Agricultural Act of 1949 (7 U.S.C. 1421 et seq.);
- (iv) The Commodity Credit Corporation Charter Act (15 U.S.C. 714 et seq.);
- (v) The Agricultural Adjustment Act of 1938 (7 U.S.C. 1281 et seq.);
- (vi) Title XII of the Food Security Act of 1985 (16 U.S.C. 3801 et seq.);
- (vii) The Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.); and
- (viii) Any federal law that provides assistance to a producer of an agricultural commodity affected by a crop or livestock loss or a decline in the prices of agricultural commodities.

12. Transfer of Coverage and Right to Indemnity

If you transfer any of your milk during the insurance period, you may transfer your coverage rights, if the transferee is eligible for crop or livestock insurance.

- (a) We will not be liable for any more than the liability determined in accordance with your policy that existed before the transfer occurred.
- (b) The transfer of coverage rights must be on our form and will not be effective until approved by us in writing.
- (c) Both you and the transferee are jointly and severally liable for the payment of the premium.
- (d) The transferee has all rights and responsibilities under this policy consistent with the transferee's interest.
- (e) If the transferee is not eligible for livestock insurance for any reason, and the transfer occurs before the final 30 days of the insurance period, then the transferred portion of the coverage will be terminated and no premium for that portion will be refunded.

13. Assignment of Indemnity

- (a) You may assign your right to an indemnity for the crop year only to creditors or other persons to whom you have a financial debt or other pecuniary obligation. You may be required to provide proof of the debt or other pecuniary obligation before we will accept the assignment of indemnity.
- (b) All assignments must be on our form and must be provided to us. Each assignment form may contain more than one creditor or other person to whom you have a financial debt or other pecuniary obligation.
- (c) Unless you have provided us with a properly executed assignment of indemnity, we will not make any payment to a lienholder or other person to whom you have a financial debt or other pecuniary obligation even if you may have a lien or other assignment recorded elsewhere. Under no

25-LGM Dairy Cattle

(Released April 2024)

circumstances will we be liable:

- (1) To any lienholder or other person to whom you have a financial debt or other pecuniary obligation where you have failed to include such lienholder or person on a properly executed assignment of indemnity provided to us; or
 - (2) To pay to all lienholders or other persons to whom you have a financial debt or other pecuniary obligation any amount greater than the total amount of indemnity owed under the policy.
- (d) If we have received the properly executed assignment of indemnity form:
- (1) Only one payment will be issued jointly in the names of all assignees and you; and
 - (2) Any assignee will have the right to submit all loss notices and forms as required by the policy.
- (e) If you have suffered a loss from an insurable cause and fail to file a claim for indemnity within the period specified in section 7(a), the assignee may submit the claim for indemnity not later than 15 days after the period for filing a claim has expired. We will honor the terms of the assignment only if we can accurately determine the amount of the claim. However, no action will lie against us for failure to do so.

14. Descriptive Headings

The descriptive headings of the various policy provisions are formulated for convenience only and are not intended to affect the construction or meaning of any of the policy provisions.

15. Notices

- (a) All notices required to be given by you must be in writing and received by the insurance agent identified in your application within the designated time unless otherwise provided by the notice requirement.
- (1) Notices required to be given immediately may be by telephone or in person and confirmed in writing.
 - (2) Time of the notice will be determined by the time of our receipt of the written notice. If the date by which you are required to submit a report or notice falls on Saturday, Sunday, or a federal holiday, or if your agent's office is, for any reason, not open for business on the date you are required to submit such notice or report, such notice or report must be submitted on the next business day.
- (b) All policy provisions, notices and communications that we send to you will be:
- (1) Provided by electronic means, unless:
 - (i) We do not have the ability to transmit such information to you by electronic means; or
 - (ii) You elect to receive a paper copy of such information;
 - (2) Sent to the location specified in your records with your crop insurance agent; and

- (3) Conclusively presumed to have been received by you.

16. Applicability of State and Local Statutes

If the provisions of this policy conflict with statutes of the state or locality in which this policy is issued, the policy provisions will prevail. State and local laws and regulations in conflict with federal statutes or regulations do not apply to this policy.

17. Other Insurance

- (a) Nothing in this section prevents you from obtaining other insurance not authorized under the Act. However, you must not obtain insurance on dairy cattle or milk under any other livestock plan of insurance issued under the authority of the Act for any month for which you have target marketings. Additionally, you may not obtain another Livestock Gross Margin for Dairy Cattle Insurance Policy for the same state for the crop year.
- (b) If you violate conditions in 17(a) and if you can demonstrate that the duplication was not intentional (for example, an application to transfer your policy or written notification to an insurance provider that states you want to purchase, or transfer, insurance and you want any other policies for the livestock canceled would demonstrate you did not intend to have duplicate policies), and:
- (1) Both are LGM policies, the policy with the earliest application date will be in force and the other policy will be void, unless both policies are with:
 - (i) The same insurance provider and the insurance provider agrees to void the policy with the earliest application date; or
 - (ii) Different insurance providers and both insurance providers agree to void the policy with the earliest application date.
 - (2) One policy is LGM and the other is a livestock policy insuring the same class of livestock (dairy cattle or milk) for any month for which you have target marketings, the policy with the earliest endorsement date for the insured month will be in force and the other endorsement will be void.
- (c) If you violate conditions in 17(a) and you cannot demonstrate that the duplication was not intentional, you may be subject to the sanctions authorized under this policy, the Act, 7 CFR part 400, subpart R, or any other applicable statute.

18. Access to Insured Milk and Records, and Record Retention

- (a) We, and any employee of USDA, reserve the right to examine the dairy herd of the insured producer, and all records relating to sale of the milk as often as we reasonably require during the record retention period.
- (b) For three years after the end of the insurance period, you must retain, and provide upon our request, or the request of any USDA employee, complete records of the purchase, feeding (used to determine capacity only), shipment, sale, or other disposition of

25-LGM Dairy Cattle

(Released April 2024)

all the insured milk. This requirement also applies to the records to establish the basis for the marketing report for each insurance period. You must also provide upon our request, or the request of any USDA employee, separate records showing the same information from any milk not insured. We may extend the record retention period beyond three years by notifying you of such extension in writing. Your failure to keep and maintain such records will result in no indemnity being due and since the denial of indemnity is based on a breach of the policy for the insurance period, you will still be required to pay all premiums owed.

- (c) Any person designated by us, and any employee of USDA, will, at any time during the record retention period, have access:
 - (1) To any records relating to this insurance at any location where such records may be found or maintained; and
 - (2) To the farm.
- (d) By applying for insurance under the authority of the Act or by continuing insurance for which you previously applied, you authorize us, or any person acting for us, to obtain records relating to the insured milk from any person who may have custody of those records including, but not limited to, packers, banks, shippers, sale barns, terminals, cooperatives, associations, and accountants. You must assist us in obtaining all records that we request from third parties.

19. Mediation, Arbitration, Appeal, Reconsideration, and Administrative and Judicial Review

- (a) If you do not agree with any determination made by us, the disagreement may be resolved through mediation in accordance with section 19(f). If the disagreement cannot be resolved through mediation, or you and we do not agree to mediation, you must timely seek resolution through arbitration in accordance with the rules of the American Arbitration Association (AAA), except as provided in sections 19(c) and 19(e), and unless rules are established by FCIC for this purpose. Any mediator or arbitrator with a familial, financial or other business relationship to you or us, or our agent or loss adjuster, is disqualified from hearing the dispute.
 - (1) All disputes involving determinations made by us are subject to mediation or arbitration. However, if the dispute in any way involves a policy or procedure interpretation, regarding whether a specific policy provision or procedure is applicable to the situation, how it is applicable, or the meaning of any policy provision or procedure, either you or we must obtain an interpretation from FCIC in accordance with 7 CFR part 400, subpart X or such other procedures as established by FCIC.
 - (i) Any interpretation by FCIC will be binding in

any mediation or arbitration.

- (ii) Failure to obtain any required interpretation from FCIC will result in the nullification of any agreement or award.
 - (iii) An interpretation by FCIC of a procedure may be appealed to the National Appeals Division in accordance with 7 CFR part 11.
- (2) Unless the dispute is resolved through mediation, the arbitrator must provide to you and us a written statement describing the issues in dispute, the factual findings, the determinations and the amount and basis for any award and breakdown by claim for any award. The statement must also include any amounts awarded for interest. Failure of the arbitrator to provide such written statement will result in the nullification of all determinations of the arbitrator. All agreements reached through settlement, including those resulting from mediation, must be in writing and contain at a minimum a statement of the issues in dispute and the amount of the settlement.
- (b) Regardless of whether mediation is elected:
 - (1) The initiation of arbitration proceedings must occur within one year of the date we denied your claim or rendered the determination with which you disagree, whichever is later;
 - (2) If you fail to initiate arbitration in accordance with section 19(b)(1) and complete the process, you will not be able to resolve the dispute through judicial review;
 - (3) If arbitration has been initiated in accordance with section 19(b)(1) and completed, and judicial review is sought, suit must be filed not later than one year after the date the arbitration decision was rendered; and
 - (4) In any suit, if the dispute in any way involves a policy or procedure interpretation, regarding whether a specific policy provision or procedure is applicable to the situation, how it is applicable, or the meaning of any policy provision or procedure, an interpretation must be obtained from FCIC in accordance with 7 CFR part 400, subpart X or such other procedures as established by FCIC. Such interpretation will be binding.
- (c) Any decision rendered in arbitration is binding on you and us unless judicial review is sought in accordance with section 19(b)(3). Notwithstanding any provision in the rules of the AAA, you and we have the right to judicial review of any decision rendered in arbitration.
- (d) If you disagree with any determination made by FCIC or any claim where FCIC is directly involved in the claims process or directs us in the resolution of the claim, you may obtain an administrative review

25-LGM Dairy Cattle

(Released April 2024)

in accordance with 7 CFR part 400, subpart J (administrative review) or appeal in accordance with 7 CFR part 11 (appeal).

- (1) If you elect to bring suit after completion of any appeal, such suit must be filed against FCIC not later than one year after the date of the decision rendered in such appeal.
 - (2) Such suit must be brought in the United States district court for the district in which the insured acreage is located.
 - (3) Under no circumstances can you recover any attorney fees or other expenses, or any punitive, compensatory or any other damages from FCIC.
- (e) In any mediation, arbitration, appeal, administrative review, reconsideration or judicial process, the terms of this policy, the Act, and the regulations published at 7 CFR chapter IV, including the provisions of 7 CFR part 400, subpart P, are binding.
