Production and Revenue History (PRH) Changes Effective for the 2023 and Succeeding Crop Years

The Federal Crop Insurance Corporation (FCIC) amended the PRH Pilot Plan of Insurance General Provisions for the 2023 and succeeding crop years. The harvest and post-harvest activities definition was revised to provide a consistent accounting and application of those activities.

The PRH Pilot Plan of Insurance General Provisions (23-PRH) will be available by close of business today on the RMA website at [www.rma.usda.gov](http://www.rma.usda.gov).

Approved insurance providers must notify policyholders of these changes at least 30 days prior to the cancellation date, as required by the policy.

Interested producers should contact a crop insurance agent for further information. A list of agents can be found on the RMA website at [www.rma.usda.gov/en/Information-Tools/Agent-Locator-Page](http://www.rma.usda.gov/en/Information-Tools/Agent-Locator-Page).
