Subject

2020 Crop Year County Fall Crops Program Expansion

Background

The Federal Crop Insurance Corporation has expanded the number of counties where certain crops are insurable for the 2020 crop year having a June 30th contract change date. The following attachments, 2020 Expansion of Existing Fall Crops Programs, lists the expansion by crop, state, and county for permanently-established (non-pilot) programs.

Action

Approved Insurance Providers should advise producers of the expanded county crop programs for the 2020 crop year.
