Subject

Multi County Enterprise Unit (MCEU) Changes Effective for the 2021 and Succeeding Crop Years

## **Background**

The Federal Crop Insurance Corporation (FCIC) revised the MCEU Endorsement for the 2021 and succeeding crop years for crops with a June 30, 2020, and later contract change date. The changes will provide greater flexibility for policyholders who elect enterprise units for both irrigated and non-irrigated practices and discover they do not qualify on or before the acreage reporting date.

## **Action**

The following documents will be available by close of business today on the RMA website at [www.rma.usda.gov](http://www.rma.usda.gov):

- Multi-County Enterprise Unit Pilot Endorsement (21-MCEU)

Approved insurance providers must notify policyholders of these changes at least 30 days prior to the cancellation date, as required by the policy. Interested producers should contact a crop insurance agent for further information. A list of agents can be found on the RMA website at [www.rma.usda.gov/tools-reports/agent-locator](http://www.rma.usda.gov/tools-reports/agent-locator).
