Managers Bulletin MGR-19-021 Appendix A Update

On July 16, 2019, the Risk Management Agency (RMA) issued Manager's Bulletin MGR-19-021 Agriculture Risk Protection Act (ARPA) List Review Standards. This guidance provides clear expectations of what actions AIPs are to perform regarding the Agriculture Risk Protection Act (ARPA) List, including specific actions AIPs are to take with respect to agents and adjusters identified on the ARPA List. The guidance also instructs AIPs how those actions, along with the results, should be reported to RMA.

Scenarios used to generate the ARPA List are subject to change from year to year. As such, the narrative accompanying the ARPA List is attached as Appendix A and released each year. Appendix A enclosed.

This serves as notification that Appendix A has been updated and the narrative for the 2021 Anomalous Agent and Adjuster (ARPA) List is attached.
