Background

The Federal Crop Insurance Corporation has expanded the number of counties where certain crops are insurable for the 2020 crop year having an August 31 to October 31 contract change date. The following attachment, 2020 Expansion of Existing Crops Programs, lists the expansion by crop, state, and county for permanently-established (non-pilot) programs.

Action

Approved Insurance Providers should advise producers of the expanded county crop programs for the 2020 crop year.
