Subject

2014 Crop Year Rainfall Index

### **Background**

In accordance with Section 8 of the Rainfall and Vegetation Index Plan Common Policy Basic Provisions, final grid indices and payment calculation factors have been determined and approved for the following:

- 2014 Crop Year Rainfall Index March - September Catastrophic (CAT) Coverage index interval for annual forage;
- 2014 Crop Year Rainfall Index September - October index interval for apiculture and pasture, rangeland, forage;
- 2014 Crop Year Vegetation Index August - October index interval for apiculture and pasture, rangeland, forage;
- 2015 Crop Year Rainfall Index September - October index interval for annual forage.

### **Action**

By close of business today, final grid indices and payment calculation factors will be available in the Actuarial Data Master and Actuarial Information Browser at the following link: [aibpf-rma.fpac.usda.gov/apps/ActuarialInformationBrowser/](http://aibpf-rma.fpac.usda.gov/apps/ActuarialInformationBrowser/). In accordance with section 8(d), any payments owed shall be issued no later than 60 days from the date of this notice.

**DISPOSAL DATE:**

December 31, 2015
