Hybrid Sweet Corn Seed Crop Provisions Changes Effective for the 2020 and Succeeding Crop Years

The Federal Crop Insurance Corporation revised the Hybrid Sweet Corn Seed Crop Provisions to clarify the definitions of hybrid sweet corn seed processor contract and amount of insurance per acre. The changes are applicable for the 2020 and succeeding crop years.

The Hybrid Sweet Corn Seed Crop Provisions (20-0093) will be available by close of business today on the RMA website at www.rma.usda.gov.

Approved insurance providers must notify policyholders of these changes at least 30 days prior to the cancellation date, as required by the policy.
