Subject

2021 Crop Year County Spring Crop Program Expansions

Background

The Federal Crop Insurance Corporation has expanded the number of counties where certain crops are insurable for the 2021 crop year having a November 30, 2020, or December 31, 2020, contract change date. The following attachment, 2021 Expansion of Existing Spring Crop Programs, lists the expansion by crop, state, and county for this permanent (non-pilot) program.

Action

Approved Insurance Providers should advise producers of the expanded county crop program for the 2021 crop year.
