Subject

Shellfish County Loss Triggers for 2024 January-September

In accordance with Section 9 of the Shellfish Commodity Provisions and Shellfish Data Provisions, approved counties will have an updated county loss trigger available by close of business today in the following formats:

- Actuarial Information Browser (AIB) online reporting application:  
[aibpf-rma.fpac.usda.gov/apps/ActuarialInformationBrowser/](https://aibpf-rma.fpac.usda.gov/apps/ActuarialInformationBrowser/)
- Actuarial Data Master (ADM) bulk data file download:  
[pubfs-rma.fpac.usda.gov/pub/References/actuarial\\_data\\_master/](https://pubfs-rma.fpac.usda.gov/pub/References/actuarial_data_master/)

The following counties have been triggered for the 2024 commodity year.

| <b>County Loss Trigger</b> | <b>Date of First Triggering Event</b> | <b>State</b>  | <b>County</b> |
|----------------------------|---------------------------------------|---------------|---------------|
| Named Storm                | January 10, 2024                      | Maine         | Cumberland    |
|                            |                                       | Massachusetts | Plymouth      |
|                            |                                       | Rhode Island  | Newport       |
|                            |                                       |               | Washington    |

| <b>County Loss Trigger</b> | <b>Date of First Triggering Event</b> | <b>State</b>   | <b>County</b>                                |
|----------------------------|---------------------------------------|----------------|--|
| March 11, 2024             | Maine                                 | Lincoln        |  |
|                            | Massachusetts                         | Barnstable     |  |
| September 26, 2024         | Florida                               | Franklin       |  |
|                            |                                       | Wakulla        |  |
|                            | March 3, 2024                         | Florida        | Franklin<br>Wakulla                          |
|                            |                                       | Maryland       | Calvert<br>St. Mary's                        |
|                            | March 17, 2024                        | Virginia       | Gloucester<br>Northumberland<br>Westmoreland |
|                            |                                       |                | Mississippi                                  |
| Low Salinity               | May 19, 2024                          | Maine          | Lincoln                                      |
|                            | July 22, 2024                         |                | Carteret                                     |
|                            | July 24, 2024                         | North Carolina | Onslow<br>Pamlico                            |
|                            | July 26, 2024                         | North Carolina | Dare<br>Beaufort                             |
|                            | July 31, 2024                         | South Carolina | Charleston<br>Colleton                       |
|                            | August 11, 2024                       | Virginia       | Accomack                                     |
|                            | August 14, 2024                       | New York       | Nassau<br>Suffolk                            |

In accordance with Sections 10 and 11 of the Shellfish Commodity Provisions, insured producers in the above counties must demonstrate a loss in production below their production guarantee in order to receive an indemnity.
