

The following changes have been made to the 1998 M-13 since the Information Technology Manager's Meeting in October 1998:

1. 14 Record Exhibit - Added Florida Citrus and Dry Peas to list of Crops with Multiple Coverage Levels.
2. 21 Record Exhibits - Included Raisin Reconditioning Payment under the "R" stage code in Exhibit 21-4. Updated stage codes for Onions, Raisins, and moved Safflowers to appropriate category of stage codes (exhibit 21-5). Added Safflowers to Exhibit 21-7.
