| 16 | 3RD PARTY BUSINESS NAME | Name of the business with a 3rd party interest in a policy. |
| 16 | 3RD PARTY ADDRESS | Mailing address of 3rd party entity. |
| 16 | 3RD PARTY CITY | City or town designated for 3rd party entity mailing. |
| 16 | 3RD PARTY FIRST NAME | First name of the 3rd Party entity. |
| 16 | 3RD PARTY ID NUMBER | SSN or EIN of the 3rd Party entity. |
| 16 | 3RD PARTY LAST NAME | Last name of the 3rd Party entity. |
| 16 | 3RD PARTY MIDDLE NAME | Middle name of the 3rd Party entity. |
| 16 | 3RD PARTY PHONE | Telephone number of the 3rd party entity. |
| 16 | 3RD PARTY STATE | U.S. Postal Service abbreviation for the address state of the 3rd party entity. |
| 16 | 3RD PARTY SUFFIX | Suffix to the 3rd party entity's name (e.g. JR, SR, II, III, ETC.) |
| 16 | 3RD PARTY TYPE | Code used to designate the type of 3rd party entity to be paid. |
| 16 | 3RD PARTY ZIP | U.S. Postal Service zip code for the mailing address of the 3rd party entity. |
| 16 | 3RD PARTY ZIP EXTENSION | Extended U.S. Postal Service zip code for the mailing address of the 3rd party entity. |
| 21N | ACCUMULATED DEDUCTIBLE | Applies to Nursery only. |
| 10 | ADDRESS | Street address of box number designated for mailing. |
| 10 | ADDRESS STATE | U.S. Postal Service state abbreviation. |

Definitions

| RECORD TYPE(S) | NAME | DEFINITION |
|---|---------------------------------|--|
| 11 | ADJUSTED GUARANTEE PER ACRE | Guarantee per acre after a LPO/PP factor has been applied. |
| 21,21N | ADJUSTER ID CODE | Unique code used to identify a loss adjuster. |
| 21 | ADJUSTER SIGNATURE DATE | Date that the adjuster signed the loss claim. |
| 14 | ADMINISTRATIVE FEE FLAG | Code used to designate the distribution of the fees collected for crop policies. |
| 11 | AGENT ID CODE | Unique number used to identify an agent or a loss adjuster. |
| 21N | AGGREGATE DEDUCTIBLE | Applies to Nursery only. |
| 15 | ANNUAL YIELD (1-10) | Average yield for each individual year in a base period. |
| 15 | APPROVED YIELD | Approved yield determined under APH procedures. |
| 14 | ASSIGNED RISK | Code designating cession under the assigned risk clause of the SRA. |
| 21 | AUDIT CORRECTION | Code indicating that a loss previously identified as being incorrect through compliance, GAO, OIG Reviews, has been corrected. |
| 21N | AVERAGE MONTHLY | Applies to Nursery only. |
| 21N | AVERAGE MONTHLY MARKET VALUE | Applies to Nursery only. |
| 11 | BASE PREMIUM RATE | Base premium rate from the actuarial master. |
| 11,15, 21, 21N | BASIC UNIT NUMBER | A unique number assigned for each tract of land qualifying as an individual unit as defined in the policy. |
| 21 | BENEFICIARY FLAG | Flag used to indicate that a loss payment will be made to a beneficiary. |
| 10,11,14, servicing 15,16,21, 21N,49 | BRANCH OFFICE/STATE CODE | FIPS state code of the FSA office the policy. |

Definitions

| RECORD TYPE(S) | NAME | DEFINITION |
|----------------------------------|------------------------------------|--|
| 10 | BUSINESS NAME | Entity name of insured business. |
| 21N | CAUSE OF LOSS CODE | Same as PRIMARY CAUSE |
| 21N | CAUSE OF LOSS MONTH | Same as PRIMARY MONTH |
| 10 | CITY | City or town designated for mailing. |
| 21,21N,49 | CLAIM NUMBER | Unique number assigned to a loss claim by the servicing county for control purposes. |
| 21 | COLLATERAL FLAG | Flag to indicate that a loss payment will be made to a collateral holder. |
| 10,11,14, 15,16,21, 21N,49 | COMPANY/COUNTY | Code identifying the FSA county office servicing the policy. |
| 21 | COMPUTE INTEREST CODE | Used to determine if insured is due interest in the payment of the indemnity. |
| 14 | CONSERVATION COMPLIANCE INQUIRY | Used to request the Conservation Compliance state of a producer from the FSA database. |
| 11,14,15, 21N | COVERAGE FLAG | Flag used to designate the type of coverage on the crop policy. |
| 11,21,21N | COVERAGE LEVEL PERCENT | The level of coverage chosen by the producer. |
| 11,14,15, 21N,49 | CROP CODE | Code assigned by FCIC to identify the crop. |
| 10,11,14, | CROP YEAR | Denotes the year in which the crop is normally harvested, and indicates the policy year for which coverage was provided. |
| 11 | DATE PLANTED | For annual crops, the calendar date on which the planting of the crop on the insurable acreage was completed. |
| 49 | DELETE TYPE | Flag to indicate the type of delete record being transmitted. |
| 21 | DETERMINED ACRES | Acres as determined by the adjuster at the time of loss. |

Definitions

| RECORD TYPE(S) | NAME | DEFINITION |
|--|----------------------------|---|
| 11,14,15, | DUAL COVERAGE FLAG | Flag to indicate that the crop insured under the catastrophic risk policy is on high risk land. |
| 11 | DOLLAR AMOUNT OF INSURANCE | Selected dollar amount of insurance per acre or per ton. |
| 10 | ENTITY TYPE | Code used to identify the policyholder and any entities with a SBI in the policy. |
| 11 | EXPERIENCE FACTOR | The experience adjustment factor % calculated as specified in the "Experience-Premium Adjustment" section of the Rates and Rules manual. |
| 14 | EXPERIENCE INQUIRY | Used to request the previous insuring experience history for a producer. |
| 11,15,21 | FARM SERIAL NUMBER | Code assigned to a farm by the FSA. USDA.> |
| 21 | FARM UNIT DEFICIENCY | Loss guarantee minus production to count. |
| 10,11,14, transmitted. 15,16,21, 21N,49 | FCIC CONTROL DATE | Date FCIC process the information |
| 21N | FIELD MARKET VALUE | Applies to Nursery only. |
| 10 | FSA/COMPANY EMPLOYEE | Code used to designate that the insured is an FSA or Company employee. |
| 15 | FSA YIELD | The yield established by the FSA county office committee or proven from production records for individual farms by FSA farm serial number. |
| 14 | FSA YIELD INQUIRY | Used to invoke FSA Yield Inquiry. |
| 16 | GOVT. AGENCY FLAG | Flat to indicate that the collateral holder is a government entity. |
| 11,21 | GUARANTEE PER ACRE | Guarantee per acre used to calculate total guarantee. |
| 11 | HAIL COVERAGE FLAG | Indicates whether the entity insured elected to keep hail/fire coverage on the policy or obtained hail/fire coverage from a different source. |

Definitions

| RECORD TYPE(S) | NAME | DEFINITION |
|--------------------------|------------------------|---|
| 11,21N | HARDINESS ZONE | Applies to Nursery only |
| 21 | HARVESTED PRODUCTION | Harvested production after adjustments for quality. |
| 10 | ID NUMBER | SSN or EIN of the legal entity. |
| 10 | ID TYPE | Code identifying the type of ID NUMBER. |
| 21,21N | INDEMNITY | Amount of loss before deductions for premium. |
| 10 | INSURANCE PLAN CODE | ??? |
| 10 | INSURED FIRST NAME | First name of the individual entity. |
| 10 | INSURED LAST NAME | Last name of the individual entity. |
| 10 | INSURED MIDDLE NAME | Middle name of the individual entity. |
| 10 | INSURED NAME SUFFIX | Name suffix of the individual entity (e.g. SR, JR, ETC.) |
| 11,21 | INSURED SHARE | The insurable interest the policyholder has in the acreage. |
| 21 | INSURED SIGNATURE DATE | Date that the insured signed the loss. |
| 10 | INSURED TITLE | Name title of the individual entity (e.g. DR, TITLE, MR., ETC). |
| 14 | LATE PROCESSED FLAG | Code denoting the reason for the late processing of a Type 14 record. |
| 11,21,21N | LIABILITY | Maximum dollar amount of insurance. |
| 21 | LIABILITY FACTOR | Factor used to reduce the loss guarantee/liability when under reporting/misreporting of premium has occurred. |
| 11,14,15, 16,21,49 | LOCATION COUNTY | Code designating county in which insured farm is located. |
| 10,11,14, 15,16,21,49 | LOCATION STATE | FIPS code denoting state in which the insured farm is located. |
| 21 | LOSS CODE | Code to designate whether a loss claim an original or revised. |

Definitions

| RECORD TYPE(S) | NAME | DEFINITION |
|-------------------|-----------------------|--|
| 21N | LOSS FROM ANNUAL | Applies to Nursery only. |
| 21N | LOSS FROM AVERAGE | Applies to Nursery only. |
| 21 | LOSS GUARANTEE | Stage guarantee X Determined acres X Liability Factor |
| 20 | LOSS PAYABLE TO OTHER | Name of the Assignee 3rd party entity. |
| 21N | LOSS USED | Applies to Nursery only. |
| n/a | MAP FACTOR | Exception to Rate Class. |
| 15 | NCS YIELD FACTOR | Factor use to adjust non-actual annual yields. |
| 21N | NEW MARKET VALUE | Applies to Nursery only. |
| 11 | OCTOBER-SEPTEMBER | Applies to Nursery only. |
| 11,15,21 | OPTIONAL UNIT NUMBER | A unique number assigned to a tract of land which qualifies for further subdivision based on actuarial guidelines. Does not apply to CAT policies. |
| 11 | OTHER INSURED | Applies to Nursery only, indicates if the "other location" is insured. |
| 11 | OTHER LOCATION | Applies to Nursery only, designates if applicant has other growing locations. |
| 16 | PAYEE FLAG | Flag used to designated that a check should be payable jointly to transferee and the insured. |
| 16 | PAYMENT CROP CODE | Code of the crop to which 3rd party is associated. |
| 16 | PAYMENT CROP UNIT | Unit number of the crop to which the 3rd party is associated. |
| 11 | PERCENT ELECTION | Percent elected by insured to derive price selection. Applies to Dry Beans (bush variety), Green Peas, Dry Peas (wrinkled varieties), Citrus Trees, Mac Trees and Canning Beans (see Type 11 record field 54 for canning bean types). |

Definitions

| RECORD TYPE(S) | NAME | DEFINITION |
|--------------------------|-------------------------|--|
| 21 | PERCENT SUGAR | Percent of recoverable sugar for crop 039. |
| 10 | PHONE NUMBER | Telephone number designated by the insured. A complete telephone number including area code and 7 digit local phone number. |
| 11,15 | PLAN CODE | Designates which insurance plan applies to the record. |
| 10,11,14, 15,16,21,49 | POLICY NUMER | 6 digit number assigned to the insured by the county. |
| 14 | POLICY STATUS | Indicates whether the entity was insured for the previous crop year on this crop. |
| 10,11,14, 15,16,21,49 | POSITION 250 | The last position on the record. |
| 11,15,21 | PRACTICE CODE | Code assigned by FCIC to identify the farming practice. |
| 11 | PREMIUM RATE FACTOR | Factor used to adjust premium. |
| 15 | PREVIOUS APPROVED YIELD | The approved yield from the previous year. |
| 21N | PREVIOUS CAUSE CODE | Applies to Nursery only. |
| 21N | PREVIOUS CAUSE MONTH | Applies to Nursery only. |
| 10 | PREVIOUS POLICY NUMBER | 6 digit number assigned to the policy if the insured was previously insured through another insurance provider. |
| 10 | PREVIOUS RO | The RO code of the insurance provider if the insured was previously insured through another insurance provider. |
| 11,21 | PRICE ELECTION | The price per commodity unit elected by the insured or for Dry Beans (Bush varieties), Green Peas and Dry Peas (wrinkled varieties), the contract price. |
| 21 | PRIMARY CAUSE | Code denoting the peril which caused 50% or more of the loss. |
| 21 occurred. | PRIMARY MONTH | Month in which primary cause of loss |
| 21 | PRIMARY PERCENT | Percent of loss due to primary cause. |

Definitions

| RECORD TYPE(S) | NAME | DEFINITION |
|--------------------------|-----------------------------|--|
| 11 | PRIVATE POLICY CODE | Code designating the type of Reinsured Private Policy. |
| 11 | PRODUCER PREMIUM | Amount of premium due from the insured. |
| 21 | PRODUCTION TO COUNT | The amount of appraised and harvested production after adjustments for quality. |
| 11,15,21 | RANGE | When combined with the section and township, identifies the specific location of the land (legal description) being insured. |
| 11,21 | RATE CLASSIFICATION | The classification of the insured acreage as determined from the actuarial documents. |
| 11,14,15 | RATE COUNTY | Code designating the county to be used for editing prices and dates. |
| 11,14,15 | RATE STATE | Code denoting the state to be used for editing prices and dates. |
| 10,11,14, 15,16,21,49 | RECORD NUMBER | Unique number assigned to a record within record type. |
| 10,11,14, 15,16,21,49 | RECORD TYPE | Type of record in 250 format(e.g. record type 10,11,etc.) |
| 14 | REFUND FLAG | Flag to designate that a refund of administrative fee was made. |
| 16 | RELEASE FLAG | Status of 3rd party information (in effect or released). |
| 11 | REPORTED ACRES | The total number of insurable acres, before adjustment for share as reported by the insured. |
| 10,11,14, 15,16,21,49 | REPORTING ORGANIZATION (RO) | Code designated to identify the FSA office responsible for the data (05). |
| 15 | REVIEW FLAG | Code denoting if a record is selected for field review. |
| 11,21 | RISK/AREA | The classification of the insured acreage as determined from the actuarial documents. |
| 10,11,14, 16,21,49 | RO CONTROL DATE | Date used by the reporting organization. |

Definitions

| RECORD TYPE(S) | NAME | DEFINITION |
|-------------------|-----------------------------------|---|
| 21 | SECONDARY CAUSE | Code denoting the peril which caused 50% or less of the loss. |
| 21 | SECONDARY MONTH | Month in which secondary cause of loss occurred. |
| 11,15,21 | SECTION | When combined with the range and township, identifies the specific location of the land (legal description) being insured. |
| 11 | SEED COMPANY CODE | Seed company code for hybrid corn seed and hybrid grain sorghum seed planted by the insured. |
| 16 | SIGNATURE DATE | 3rd Party signature date. |
| 21 | STAGE CODE | Code denoting stage of crop growth or period of development at the time of loss. |
| 21 | STAGE GUARANTEE | Commodity guarantee per acre established for specific stage of crop growth or period of development. |
| 11 | TERMINATION FLAG | Indicates termination for non-payment of premium. |
| 11 | TOTAL PREMIUM | Premium earned for protection provided. |
| 11,15 | TOWNSHIP | When combined with the section and range, identifies specific location of land (legal description) being insured. |
| 21 be | TRANSFER RIGHT OF INDEMNITY | Flag to indicate that a loss payment will be made to the 3rd party designated as 'transfer right to indemnity'. |
| 15 | TRANSITIONAL/ DETERMINED YIELD | An estimated yield provided in the actuarial table which is used in calculating average/approved APH yields when less than 4 years of actual, temporary or assigned yields are available. |
| 21 | TRIGGER YIELD FACTOR | A factor used to calculate the GRP payment calculation factor for preliminary payments for GRP crops only. |
| 11,14,15,21 | TYPE CODE | Code assigned by FCIC to identify a crop type, class, or variety. |

Definitions

| RECORD TYPE(S) | NAME | DEFINITION |
|-------------------|-----------------------|--|
| 11 | WINTERIZATION | Applies to Nursery only. |
| 15 | YIELD ACRE 1-10 | Acreage for each individual year in base period. |
| 11 | YIELD CONVERSION | Factor used in determining non-irrigated solid planted yield when cotton or ELS cotton is planted in skip row pattern. |
| 15 | YIELD INDICATOR | Code denoting an exception to a yield type, yield pattern, etc. |
| 15 | YIELD LIMITATION FLAG | Code denoting if approved yield is capped, cupped, normal or not applicable. |
| 11,21 | YIELD/QUOTA | APH approved yield or pound quota. |
| 15 | YIELD TYPE | Code showing how a yield was established. |
| 15 | YIELD YEAR 1-10 | Crop year for which production is reported. Lowest year in base period is 1 and highest year is 10. |
| 10 | ZIP CODE | U.S. Postal Service code. |
| 10 | ZIP EXTENSION | Extended U.S. Postal Service code. |
